Name: Knockeevin Montessori School, Greystones
Dates: 1996 - 1997
Class: Preschool

Voluntary Work:

I was a Sunday School teacher for seven years working with five to eight year olds, and a youth group leader for four years. This involved working with teens from thirteen to eighteen years old. We brought the teenagers away each summer for a week in Germany and different times throughout the year. I was involved with guiding for ten years, I achieved my silver and gold cord awards and became a junior leader in my last year.
